

Product Director Position

Walimai (walimai.com / wacoin.io)

Shanghai, China

Walimai is building a retail hyper-channel for authentic, safe consumer products. To accomplish this, we've developed and implemented banking-level anti-counterfeit technology. Using this technology, we aim to turn consumer products into a comprehensive IoT network over the coming years.

Your job as a Product Director is to inspire, design, implement, and oversee development of Walimai's technology products. Your actions and input will directly shape the Walimai retail hyper-channel, demanding a creative and visionary out-of-the-box thinker. You will be managing several projects simultaneously while leading development teams for each.

What is needed from you:

- Project management experience.
- Experience in UX/UI design, product design & development at a technology company.
- Perfectionist personality with the ability to balance quality and speed of development.
- Ability to challenge convention in order to innovate.
- Entrepreneurial spirit and a pro-active attitude.
- Fluent in both Mandarin and English.

What Walimai offers:

- Market rate salary and bonus potential.
- Grow with the company: upside pool participation.
- Comfortable, open work environment in Shanghai.
- Freedom to stand out, grow, and be vital to the company.

Please send your CV and a short cover letter to jobs@walimai.com for consideration.
